**WHEN** OCTOBER 26

Over 200 guests dined on Houston's finest restaurant bites while enjoying fall's latest fashion from Neiman Marcus modeled by Neal Hamil's best talent. The Scene Shop was transformed into a fabulous night spot complete with red carpet and velvet ropes. Those in the VIP area took candid pictures in the photobooth and received henna and airbrush tattoos while the glamorous touched up at the lip gloss station. Over \$83,000 was raised for the theatre's artistic and education programs!
