## **Alley Theatre Kicks Off Multi-City Regional Theatre Co-Production of Lauren Yee's *Cambodian Rock Band***

***Under Chay Yew's direction, this production is electric, darkly funny while revealing a haunting part of history***

HOUSTON TX - The Tony Award®-winning Alley Theatre and Artistic Director Rob Melrose announce the cast and creative team of *Cambodian Rock Band*. The Signature Theatre Production of ***Cambodian Rock Band*** is co-produced with Berkeley Repertory Theatre, ACT Theatre/5th Avenue, and Center Theatre Group. ***Cambodian Rock Band*** is by **Lauren Yee**, featuring songs by **Dengue Fever**, and directed by **Chay Yew** and runs from **January 20 – February 12, 2023**.

This darkly funny, electric new play with music tells the story of a Khmer Rouge survivor returning to Cambodia for the first time in thirty years, as his daughter prepares to prosecute one of Cambodia's most infamous war criminals. Backed by a live band playing contemporary Dengue Fever hits and classic Cambodian oldies, this thrilling story toggles back and forth in time as father and daughter face the music of the past. Lauren Yee brings us an intimate rock epic about family secrets set against a dark chapter of Cambodian history.

"Lauren Yee has created a riveting play featuring the rock music of an American Cambodian band, showing the historic reality of the Khmer Rouge, through the revelation of a father's dark secret of survival," shares Alley Theatre Artistic Director **Rob Melrose**. "We're thrilled that Alley audiences will see this unique theatrical production before it moves to Berkeley Rep. And, we expect more theatres in cities across the country to announce this play as part of their season soon!"

"Lauren Yee's *Cambodian Rock Band* is a work of incredible theatrical deftness, brutal honesty, pure heart and wit," shares director **Chay Yew**. "Her play breathes life to the timely issues in our divided nation: immigration, race, genocide and human rights abuses; the rights of refugees and emigres; the consequences of apathy when a country shifts under a brutal regime; and the destruction of freedom of expression in the midst of political transitions and upheavals. In Lauren's astute eyes, one thing remains consistent throughout our temperamental world: the constancy, the resilience and enduring power of art and artists. *Cambodian Rock Band* celebrates the indomitable legacy of art and music; how artists capture our individual and national spirit and hopes; and the uncanny ability of art to inspire, to affirm our humanity, and to bring us together."

The cast of *Cambodian Rock Band* includes Obie Winner **Joe Ngo** as Chum, **Geena Quintos** as Neary/ Sothea, **Moses Villarama** as Ted/ Cadre/ Lang, **Francis Jue** as Duch, **Abraham Kim** as Rom/ Journalist, **Jane Lui** as Pou/S21 Guard and Understudies **Alex Lydon**, **Kelsey Angel Baehrens** and **Vi Tran**.
